Navigate to <https://kc7cyber.com/> (<https://kc7cyber.com/>) and select "Play Now - No Sign Up." This will automatically launch your terminal and start the first challenge.

Complete the brief tutorial first, then proceed through the challenges in order.

Required Challenges

A Rap Beef (Approx. 45 minutes)

--> Enough beef for a burger (13 points)

--> Less beef, more phish (22 points)

CloutHaus (Approx. 1 hour)

--> Got Clout? 🗝️ (21 points)

--> Inside the Clout Breach 🐾 (13 points)

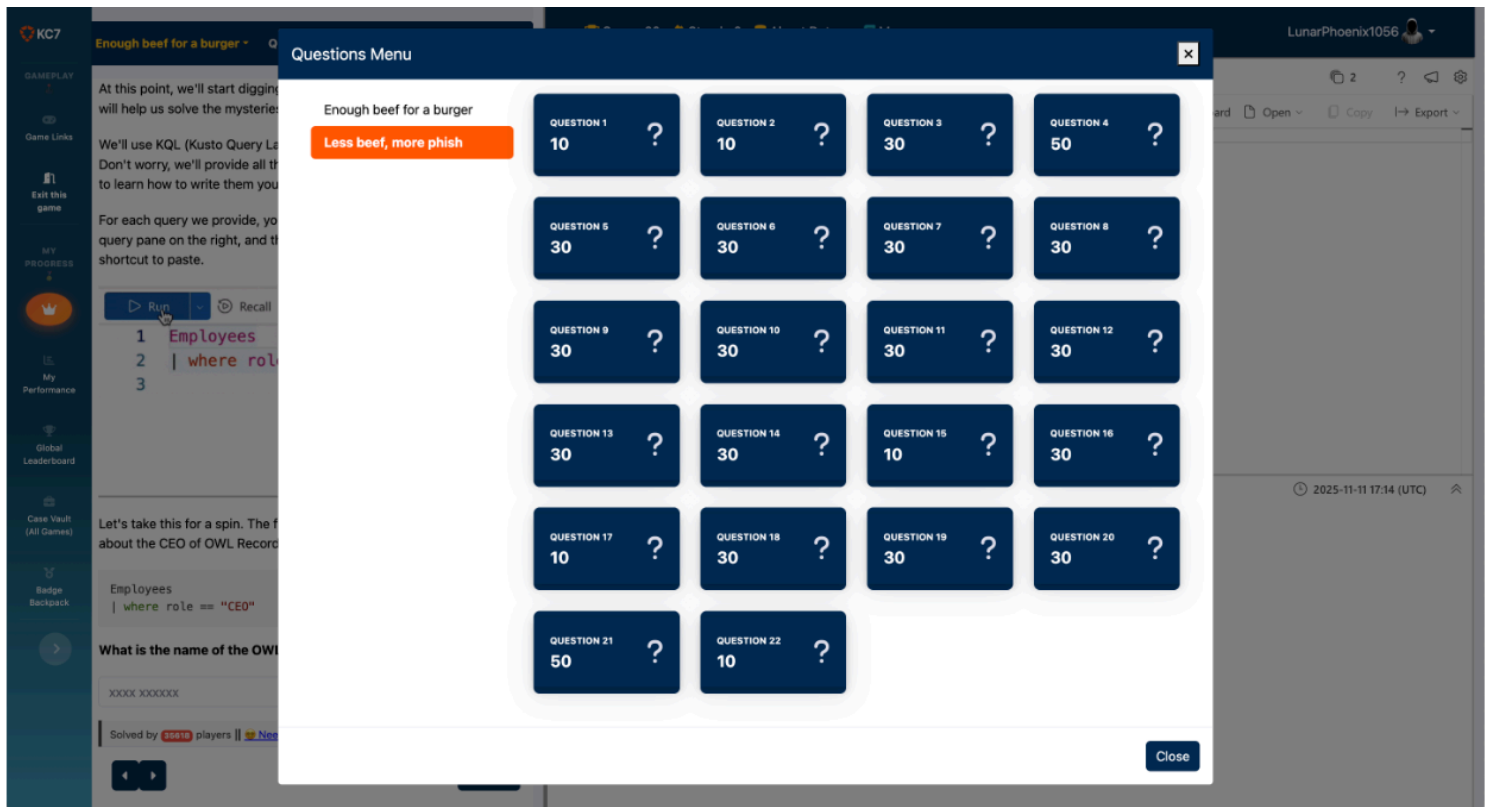

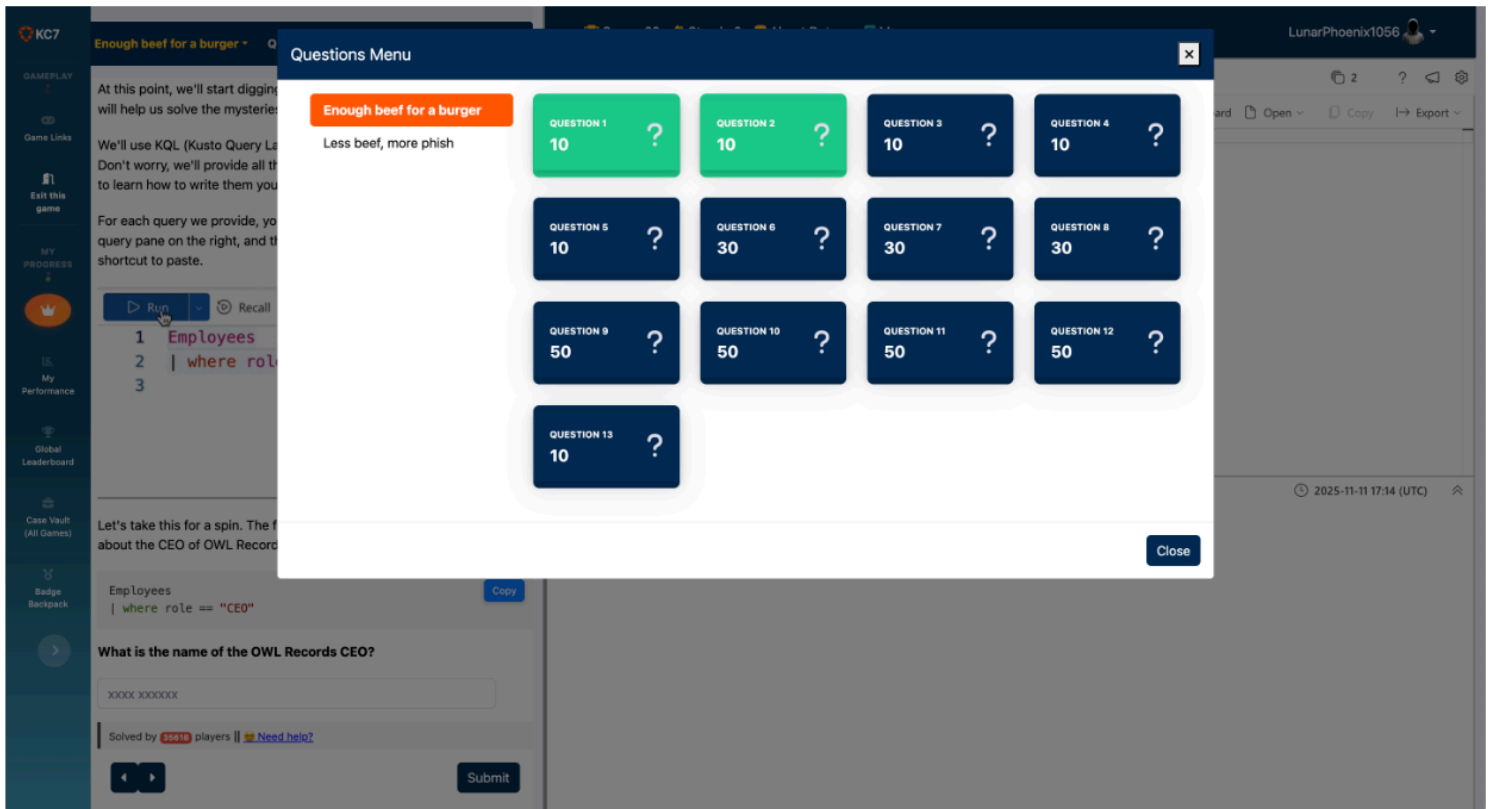

A Scandal in Valdoria (Approx. 25 minutes)

--> KQL 101 (12 points)

Stop here! The remaining *A Scandal in Valdoria* sections are optional and can be completed for extra credit.

See the separate extra credit assignment ([here](#)

Submission Instructions

Please submit exactly five images (or a single PDF containing all five images) showing your completed question menus after each required challenge. For example, to document completion of the first challenge, you should include two screenshots displaying the full questions menu (see the example below), with all questions marked green to receive full credit. This is all that is required.

Important: Please do not crop out your unique username in the top-right corner of each screenshot. Your username will be used to verify individual completion and ensure screenshots are not shared between students.
